

EYB Equipment Exchange

Was a big Success so far!

Eastmont youth baseball implemented an equipment exchange for this year. There are many items, Cleats, Bats, Mitts etc, your children grow out of and you now get to buy new stuff when the old, barely used equipment is still good. So, instead of using the bats to hit rocks in the back yard, or simply throwing away good usable items, DONATE them to EYB.

This year at Registration we were able to find new homes to 18 pairs of cleats, 15 baseball mitts, a dozen baseball bats, catching gear, and numerous gear bags.

Our supply is depleted and there are still players in our league that would love to have that new Mitt or a set of cleats that fit a little better.

Please contact Mark Gahringer at 509-670-2574 or any board member to learn more about this program.

Thanks,

EYB
