

Eastmont Youth Baseball

NEEDS YOU!

EYB has done a substantial amount of improvements over the years. The majority of all this has been completed with VOLUNTEER Labor and Donations of Equipment, Money and Ideas.

The EYB board is comprised of 9 members; however, there are many other people in our organization that we feel could help promote the vision of EYB to improve the experience for the youth in our area.

We want to create a database of our members and what they can do for baseball in our area.

Want to help brighten the future of baseball for our areas youth?

When a project comes along and you could help, let us know your trade, talent, abilities?

Please circle below areas that you or your business can assist in and drop off to a board member or in the Concession stand during the season.

Carpentry	Construction	Heavy equipment	Grant Writing
Advertising	Monetary donation	Field Advertising	Tournament programs
Painting			
Other (Please list)
